EXPERIENCE

UX Design Intern

May 2018 - Aug. 2018

The Home Depot

- **Designed** and **evaluated** a centralized dashboard to help the Home Depot developers troubleshoot cloud deployments, which would save around 20% of developers' time.
- **Led** kick-off meetings, interviews, design studios, and user testings.
- **Advocated** for the importance of User Experience and **engaged** the core team and stakeholders throughout the design process.

UX/UI Designer & Writer

Aug. 2017 - May 2018

Institute for Information Security & Privacy (IISP), Georgia Tech

- **Redesigned** IISP's research pages to better attract industry partners.
- **Created** wireframes based on user interview data.
- **Interviewed** professors, students, and guest lecturers and published featured articles on IISP's website. **Promoted** IISP's work and events.

UX Intern

Jun. 2016 - Aug. 2016

HCI Institute, Carnegie Mellon University

- **Developed** a driving simulator in Android to study driving behaviors.
- **Evaluated** the simulation animation through user studies. **Analyzed** data in SPSS and Excel.
- **Designed** a sensor data processing algorithm in Java for the tool.

Oratory Coach

Jan. 2014 - Dec. 2014

Middlebury Oratory Now

- **Designed** public speaking workshops and **coached** over 100 students for public speaking events, including TEDx competition and student symposium.
